Universal Tailgate Gap Filler
4X4 Xtra & Dual Cab 2m

A useful flexible EPDM Rubber cover for the gap between the tailgate and the tray of your UTE. Convenient and cost effective at only 2 meters with little or no waste.

A must have accessory for anyone who ever carts sand, soil, grain, wood or anything that can get between your tailgate and tray while traveling or unloading.

Can also be easily tucked into the gap, getting it out of the way of any other use of your truck bed without interfering with closing the tailgate. Comes with VHB quality self-adhesive tape and alcohol swabs for cleaning
